Section (place a checkmark in the space for your section):

\_\_\_ Section 101 (MWF)

\_\_\_ Section 102 (TTh)

Academic Conduct: I certify that my assignment follows the academic conduct rules for CPSC 221 as outlined on the course website. As part of those rules, when collaborating with anyone besides myself, (1) I took no record but names away, and (2) after a suitable break, I created the assignment I am submitting without help from anyone other than the course staff.
